# Hey Sexy Lady (Laidback Luke Remix)

## iSquare

Hey Sexy Lady
I got a right to know, if this is mutual
Don't give me maybe

Yeah look
I must be out my mind
You looking hella fine
You could be my appetizer
I could be your app ya see
(Hey baby) You got me going crazy,
Fantasize 'bout you daily,
The approach alone took bravery

All it took was a shot to make her body roll,
She move it from the top then she drop it to the floor,
(Look)every magazine wanna shot wanna roll,
Told her give me what you got she told me here we go,
(Look)this be the part where you put your hands up in the air
Put your hands up in the air
Put your hands up in the air
My baby sweet darling baby girl,
You amaze me somebody save me
Say ahh, ahhh
Say ahh, ahhh

Hey sexy lady
I got a right to know if this mutual
Don't give me maybe
Bet I could change you life
Don't give me no tonight
Cause, I want you, I need you
I want you, I need you

Yup here we go uh
Damn she shining,
She move her body like it's rewinding,
Far from a dime(damn)she's a diamond
She grinding Stevie Wonder even saw her smiling,
Call me evil kinevil
Jumping over canyons just to see you

I do a little dance just to please you
You can be my queen I'll be the people, people, people
Put your hands up people x3
Here we go here we go
And if you see that lady keep your composure
Don't go crazy crazy crazy

Hey sexy lady
I got a right to know if this mutual
Don't give me maybe
Bet I could change you life
Don't give me no tonight
Cause, I want you, I need you
I want you, I need you

Let me use use use you up tonight
Give me your your your your your one night
Let me use use use you up tonight
Give me your your your your your one night

Hey sexy lady
I got a right to know if this mutual
Don't give me maybe
Bet I could change you life
Don't give me no tonight
Cause, I want you, I need you
I want you, I need you

Hey Sexy Lady!
