Look Into My Eyes

Outlandish

Look into my eyes

Tell me what ya see

You dont see a damn thing

'Cuz you cant relate to meYou blinded by our differences

My life makes no sense to you

Im the persecuted one

You the red, white and blueEach day you wake in tranquility

No fears to cross your eyes

Each day I wake in gratitude

Thankin God, He let me riseYa worry bout your education

And the bills you have to pay

I worry bout my vulnerable life

And if Ill survive another dayYa biggest fear is getting a ticket

As ya cruise your Cadillac

My fear is that the tank thats just left

Will turn around and come backYet do you know the truth of where ya money goes?

Do you let the media deceive your mind?

Is this a truth that nobody knows?

Has our world gone all blindYet do you know the truth of where ya money goes?

Do you let the media deceive your mind?

Is this a truth that nobody knows?

Some one tell meOh, lets not cry tonight

I promise you one day its through

Oh, oh, oh, my brothers

Oh, oh, oh, my sistersOh, shine a light for every soul

That aint with us no more

Oh, oh, oh, my brothers

Oh, oh, oh, my sistersSee, Ive known terror for quite some times

57 years, so cruel

Terror breathes the air I breathe

Its the check point on my way to schoolTerror is the robbery of my land

And the torture of my mother

The imprisonment of my innocent father

The bullet in my baby brotherThe bulldozers and the tanks

The gasses and the guns

The bombs that fall outside my door

All due to your funds You blame me for defending myself

Against the ways of my enemies

Im terrorized in my own land

And Im the terroristYet do you know the truth of where ya money goes?

Do you let the media deceive your mind?

Is this a truth that nobody knows?

Has our world gone all blindYet do you know the truth of where ya money goes?

Do you let the media deceive your mind?

Is this a truth that nobody knows?

Some one tell meOh, lets not cry tonight

I promise you one day its through

Oh, oh, oh, my brothers

Oh, oh, oh, my sistersOh, shine a light for every soul

That aint with us no more

Oh, oh, oh, my brothers

Oh, oh, oh, my sistersAmerican, do ya realize

That the taxes that you pay

Feed the forces that traumatize

My every living daySo if I wont be here tomorrow

Its written in my fate

May the future bring a brighter day

The end of our waitOh, lets not cry tonight

I promise you one day its through

Oh, oh, oh, my brothers

Oh, oh, oh, my sistersOh, shine a light for every soul

That aint with us no more

Oh, oh, oh, my brothers

Oh, oh, oh, my sisters
