

Your Joy Is My Low

IAMX

Said, "Your joy, your joy is my low" He takes your face and positions it to take your mouth

You bite, you bite to excite yourself

He wants the color of you to wear and feel alive

So you bite and I'm awake and I'm the slave tonight You lie, you lie to spare my life

You needed it, he tasted you inside out Say it, your joy, your joy is my low

So you want yourself to stop

So, your joy, your joy is my low

And when you crack the whip, I crawl again You shift the play, push the curve to sit between your thighs

It's a sign, it's time to exercise the lines

You want the double cut through to wet, invade and slide

You slide and I'm awake and I'm the slave tonight You lie, you lie to spare my life

You needed it, he tasted you inside out Say it, your joy, your joy is my low

So you want yourself to stop

Say it, your joy, your joy is my low

And when you crack the whip, I crawl again Say it, your joy, your joy is my low

So you want yourself to stop

Say it, your joy, your joy is my low

Your joy is my low You want yourself to stop So, your joy, your joy is my low

So you want yourself to stop

Say it, your joy, your joy is my low

When you crack the whip, I crawl again Say it, your joy, your joy is my low

So you want yourself to stop

Say it, your joy, your joy is my low

Your joy is my low
