This Is Me

Aaron David

What if I gave up everything
What if I gave up every dream
Chose to walk away

Everything that You have ever done
And every song that I have ever sung
Would still live in me

To see all my friends down on their knees
Lifting their hands for Your glory

This is me, this is now
You're everything I've wanted to be
Now all of me is on my knees
Iâ€™m desperate for Your Spirit in me

So look inside and uncover everything
That I try to hide and keep from being seen
Throw it all away

â€˜Cause nothingâ€™s right if itâ€™s not to seek Your face
And Iâ€™m just a lie if not covered by Your grace
Pour it over me

To see all my friends down on their knees
Lifting their hands for Your glory

This is me, this is now
You're everything I've wanted to be
Now all of me is on my knees
Iâ€™m desperate for Your Spirit in me

Everything I have, everything I am
Is all Yours, itâ€™s all Yours
Take me by the hand, take me as I am
I'm all Yours, I'm all Yours

This is me, this is now
You're everything I've wanted to be
Now all of me is falling on my knees

Iâ€™m desperate for Your Spirit in me

Here I am, Youâ€™re everything, everything I need
Now all of me is falling on my knees
Iâ€™m desperate for Your Spirit in me
Youâ€™re everything Iâ€™ve wanted to be
