Number One (Spanish Version)

Alexia

I wanna hold you babyI wanna hold you
Never be lonely with me by your side
Say that you want me baby
I got the things you've needed to get byI wish you love me too
This time you promise and look into my eyes
I can give you lovin' baby
Show me the way to make you feel all right
Falling in love to youI wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you downDon't wanna loose you
I know you'll never gonna break my heart
Say that you want me baby
I got the things you've needed to get by
Falling in love againI wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you downI wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you downI wanna be your number one
La la la la la la
I wanna be your number one
La la la la laI wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you downI wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
I wanna be your number one
