

# Number One (Spanish Version)

## Alexia

I wanna hold you baby I wanna hold you  
Never be lonely with me by your side  
Say that you want me baby  
I got the things you've needed to get by I wish you love me too  
This time you promise and look into my eyes  
I can give you lovin' baby  
Show me the way to make you feel all right  
Falling in love to you I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down Don't wanna lose you  
I know you'll never gonna break my heart  
Say that you want me baby  
I got the things you've needed to get by  
Falling in love again I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down I wanna be your number one  
La la la la la la  
I wanna be your number one  
La la la la la I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down  
I wanna be your number one
