

# Testify

## Deitrick Haddon

First givin honor to God....He's the head of my life  
Gonna give a shout out to the Lord...My Savior Jesus Christ  
I gotta say thank you to the doubters, that said I would never survive  
I wanna say thank you to those, that prayed me through the fight  
Ooooh sometimes...I gotta take a look in the mirror  
Ooohh sometimes.....say God you are the forgiver  
You look at me and see my glory, you need to know that I got a story  
God has been so good to me...I believe I believe  
I believe I'll testify while I got a chance  
Tomorrow isn't promised to no man  
I believe I'll testify while I got a chance  
I gotta T-E-S-T-I-F-Y....Testify  
Man you're lookin at a.....walkin miracle  
That devil tried to knock me down.....but God said No  
Said you got more life to live...You got more love to give  
Even tho you did what you did  
You ain't going out like this  
Ooooh sometimes... I I just won't believe  
Ooohh sometimes.....the Lawd God has for me...ohhh  
You look at me and see my glory, you need to know that I got a story  
God has been so good to me...I believe I believe  
I believe I'll testify while I got a chance  
Tomorrow isn't promised to no man  
I believe I'll testify while I got a chance  
I gotta T-E-S-T-I-F-Y....Testify
