

Taxidermy Girl

Harley Poe

You were young
You were bright
You were a star in the night
You were gorgeous.

How it turned me on
You danced on our lawn
In your wedding dress.

And one day
Out of the blue
You said, "Baby, we're through.
I don't love you."

You said, "I found someone new
Who does all of those things
You can't do."

Well you left
With your with your things
In his car you went far
But I found you.

I burst through the door
As you were playing his whore
Oh how could you?

And I held up my knife
I screamed, "You stole my wife,
now you'll pay."
You cried as I slashed him
I yelled, "Shut up and hear what I say."

This is what I said:
I said,

[REFRAIN]
"You are my wife
And I am your husband.
God brought us together,

But I'm fixing to take you apart.
I'll pack you with sawdust,
And dress you up in pretty things.
Without you as my wife,
I've no reason for life,
But I've still got my heart.
I've got my heart."
[[END REFRAIN]]

"I've got my heart."

Nuh-nuh-nuh-nuh
Nuh-nuh-nuh-nuh

I tied him to a chair
Cause life just ain't fair
What can you do?

You broke my heart
So I'll tear him apart.
And soon,
I'll kill you too...
Unless you repent of your sin,
And come back home to your husband
Who you belong.

I'm going to tear out your eyes
And your insides
As I sing my song.

This is what I'll sing:
I'll sing...

[REFRAIN]

Nuh-nuh-nuh-nuh
Nuh-nuh-nuh-nuh
Nuh-nuh-nuh-nuh

(I'm falling apart)

[REFRAIN]

"I've got my heart."
"I've got my heart."
"I've got my heart."
