Sweeter Than You

Crippled Black Phoenix

I could never be love by anyone sweeter than you
And I could never belong to anyone sweeter than you
With you to stand beside me, I'll never be alone
And what more could I long for than to have you for my own?My only desire is loving you eternally
For no, no other love could ever mean so much to me
So if you say you love me, forever I'll be true
And what more could I long for than to live my life with you?I could never be love by anyone sweeter than you
I could never belong to anyone sweeter than you
