Baby, forget about me
Just tell me what you want I wanna freak in the morning and freak in the evening
Just like me
I need a roughneck brother that can satisfy me
Just for me
If you are that kind of man 'cause I'm that kind of girl
I gotta freaky secret everybody sing
'Cause we don't give a damn about a thing 'Cause I will be a freak until the night, until the dawn
We have off for the night till the early morning
You wanna know I'll take you around the hood do the gangsta lean
'Cause we can fuck any time of day it's all good for me Mami wanna get out on the weekend, do a little freakin'
Go ahead and be a freak girl
Nurse by day but at night she's my type
Whoa go ahead and be a freak girl
Teachers let your hair down take your glasses off
Teach, go ahead and be a freak girl
All my Polish women that like it rough
Bring the handcuffs, whoop whoop, let's freak girl
My exotic dancers that ain't with romance
Go ahead and be a freak girl
All my business women that just got a big deal yeah
Go ahead and be a freak girl
All my real estate girls with their button down breasts out
Take it to the house you a freak girl Now freak with me go ahead and be free
Baby freakaleak, woah I wanna freak in the morning and freak in the evening
Just like me
I need a roughneck brother that can satisfy me
Just for me
If you are that kind of man 'cause I'm that kind of girl
I gotta freaky secret everybody sing
'Cause we don't give a damn about a thing 'Cause I will be a freak until the night, until the dawn
We have off for the night till the early morning
You wanna know I'll take you around the hood do the gangsta lean
'Cause we can fuck any time of day it's all good for me She's a house wife and she wanna have a wild night
Go ahead and be a freak girl
And them female personal trainers work me out
Go ahead and be a freak girl
All my women C.O's that love them some prisoners
Go ahead and be a freak girl

All my women in the dogg entertainment club
We know that y'all some freak girls
All my female singers and actresses
You ain't gotta play to this just freak girl
It might sound crazy but I'mma tell the first lady
Go ahead and be a freak girl
All my female bankers
That's tired of counting other peoples money
Just freak girl Now freak with me go ahead and be free
Baby freakaleak, woah I wanna freak in the morning and freak in the evening
Just like me
I need a roughneck brother that can satisfy me
Just for me
If you are that kind of man 'cause I'm that kind of girl
I gotta freaky secret everybody sing
'Cause we don't give a damn about a thing 'Cause I will be a freak until the night, until the dawn
We have off for the night till the early morning
You wanna know I'll take you around the hood do the gangsta lean
'Cause we can fuck any time of day it's all good for me This for the women, who men get home
And don't tell them that they sexy, beautiful, or gorgeous
You know the men that be blowing their rent money on strippers
Can't be mad at the strippers, go ahead and be a freak I wanna freak in the morning and freak in the evening
Just like me
I need a roughneck brother that can satisfy me
Just for me
If you are that kind of man 'cause I'm that kind of girl
I gotta freaky secret everybody sing
'Cause we don't give a damn about a thing 'Cause I will be a freak until the night, until the dawn
We have off for the night till the early morning
You wanna know I'll take you around the hood do the gangsta lean
'Cause we can fuck any time of day it's all good for me
'Cause I will be a freak until the night, until the dawn
We have off for the night till the early morning
You wanna know I'll take you around the hood do the gangsta lean
'Cause we can fuck any time of day it's all good for me
