Jealous Heart

Alecia Nugent

Oh, jealous heart, oh, jealous heart, stop beating
Can't you see the damage you have done?
You have driven him away forever
Jealous heart, now I'm the lonely oneI was part of everything he planned for
And I know he loved me at the start
And now he hates the sight of all I stand for
All because of you, oh, jealous heartNow that he's gone, he's gone and found another
I know he loved me from the start
Through all the years his memory will haunt me
And all because of you, oh, jealous heartAll because of you, oh, jealous heart
(Oh, jealous heart)
