

# Jealous Heart

Alecia Nugent

Oh, jealous heart, oh, jealous heart, stop beating  
Can't you see the damage you have done?  
You have driven him away forever  
Jealous heart, now I'm the lonely oneI was part of everything he planned for  
And I know he loved me at the start  
And now he hates the sight of all I stand for  
All because of you, oh, jealous heartNow that he's gone, he's gone and found another  
I know he loved me from the start  
Through all the years his memory will haunt me  
And all because of you, oh, jealous heartAll because of you, oh, jealous heart  
(Oh, jealous heart)
