

Jind Mahi

[Malkit Singh](#)

oh jind mahi baaz tere kumlayiyaan, teriyan laadliyan bharjayian
hey, they are sad without you, your loving sisters in lawoye baagi firan kadi nahin aayiyan,
oh they never came to garden for walksOh ik pal beh jana mere kol, tere mithde ne lagde bol
for a moment sit down with me, i love your sweet wordsOh jind mahi je chaliyon patiale, othon liyavi reshmi
naale
hey love if you are going to patiala, bring silky threads from thereAdhe chitte te addhe kaale,
half of white and half of blackOh ik pal beh jana mere kol, tere mithde ne lagde bol
for a moment sit down with me, i love your sweet wordsjind mahi baajre diyen chattiyaan, mela vekhan
aayiyan jattiyaan
love baby there are sticks of wheat, jattis have come to see the partyHath ch sheeshe te laundiyan pattiyan,
combing hairs with mirrors in their handsIk pal beh jana mere chanda, Vichora do dilan da manda.
sit down for moment my moon, separation of two hearts is very badho jind mahi ishqey di kaali raat, hove jiven
sawan barsaat
hey my love in the dark night of love, like the rain of monsoonehe ishq hai buri saugaat
this gift of love is very badik pal beh jana mere kol, tere mithde ne lagde bol
for a moment sit down with me, i love your sweet words
