

Your Game

Will Young

I see you floating it constantly
You're making me feel like you and I could be real
But then you're flipping the game
You walk away and turn your back baby
Stop treading on me baby
'cause I'm mystified
And you know I've tried
I just can't get through to you

[Chorus]
What you gonna do
I don't know
What you gonna say
I ain't sure
Always the same
All the time
Every day
Played my mind
I can't keep wasting my time on your game

Ain't no doubt about it x4

I've taken all that I can
I've given to you my all
But you don't seem to respond baby
Oh I can't stand all this waiting
'cause I can't stand all this waiting
'cause my patience is fading
Pretty soon I'll be gone

Let's rectify it
You can't deny it
The way that you feel for me
Tell me

[Chorus]
I can't keep wasting my time on your game
No more, no more

No more wasted time
Playing your game
I've seen this all before
Time and time, no way

'cause I'm mystified
You know that I've tried
I just can't get through to you

[Chorus: x2]

I can't keep wasting my time on your game

No more, no more
No more wasted time
Playing your game
I've seen this all before
Time

Ain't no doubt about it
Ain't no doubt about it
Ain't no doubt about it
Ain't no doubt about it
