

# Receipts (feat. Angie Stone)

Dave Hollister

Damn, I'm tired and I've been stressin' out  
It seems like we couldn't care less about  
Look, babies look like I've made them all by myself  
I take them to dentist, and doctors, and play days and movies  
Football and soccer, and ballet  
Excuse me?  
There's dinner every night  
Hold them when they cry, at least you could do is provide  
They say it takes two, but what do you do when you're the only one?  
I got receipts if you don't believe it  
Prove if you wanna see it  
Trust me, I take care of mine  
Give all of my time, every nickel and dime  
I got receipts if you don't believe it  
Prove if you wanna see it  
Oh, everything I love  
I'd be make sure my blood ain't worrying for nothing She makes more than all her friends together  
And don't have a job  
Got my kids out here looking crazy  
While her had nails at the bound  
Pushing the latest whips, trying to [?]  
Getting the law involved  
She on that pretty, that selfish  
I've got the evidence that I've done my part  
They say it takes two,  
but what do you do when you're the only one?  
Do you feel where I'm coming from?  
I got receipts if you don't believe it  
Prove if you wanna see it  
Trust me, I take care of mine  
Give all of my time, every nickel and dime  
I got receipts if you don't believe it  
Prove if you wanna see it  
Oh, everything I love  
I'd be make sure my blood ain't worrying for nothing Uh, there's a paper trail  
For every time I'm heading out  
I'm not trippin'  
See, I'm just admitting the truth  
While some brothers give us a bad name

That don't mean a blast to me  
Talk to me 'cause I take care  
Really good care of mine, possibilities I got receipts if you don't believe it  
Prove if you wanna see it  
Trust me, I take care of mine  
Give all of my time, every nickel and dime  
I got receipts if you don't believe it  
Prove if you wanna see it  
Oh, everything I love  
I'd be make sure my blood ain't
