

Heart of Glass (12-Inch Instrumental)

Blondie

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Mucho mistrust, love's gone behindOnce I had a love and it was divine
Soon found out I was losing my mind
It seemed like the real thing but I was so blind
Mucho mistrust, love's gone behindIn between
What I find is pleasing and I'm feeling fine
Love is so confusing there's no peace of mind
If I fear I'm losing you it's just no good
You teasing like you doOnce I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Mucho mistrust, love's gone behindLost inside
Adorable illusion and I cannot hide
I'm the one you're using, please don't push me aside
We coulda made it cruising, yeahYeah, riding high on love's true bluish lightOnce I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing only to find
Mucho mistrust, love's gone behindIn between
What I find is pleasing and I'm feeling fine
Love is so confusing there's no peace of mind
If I fear I'm losing you it's just no good
You teasing like you do
