

# What Hurts The Most

## Cascada

I can take the rain on the roof of this empty house, that don't bother me

I can take a few tears now and then and just let them out

I'm not afraid to cry

Every once in a while even though goin on with you gone still upsets me

There are days

Every now and again i pretend i'm okay but that's not what gets me

What hurts the most, was being so close

And having so much to say

And watchin you walk away

Never knowing, what could have been

And not seein that lovin you

Is what i was tryin to do

It's hard to deal with the pain of losing you everywhere i go

But i'm doin it

It's hard to force that smile when i see our old friends and i'm alone

Still harder gettin up, gettin dressed, livin with this regret

But i know if i could do it over

I would trade, give away all the words that i saved in my heart that i left unspoken

What hurts the most, is being so close

And having so much to say

And watchin you walk away

Never knowing, what could have been

And not seein that lovin you

Is what i was tryin to do

What hurts the most, was being so close

And having so much to say

And watchin you walk away

And never knowing, what could have been

And not seein that lovin you

Is what i was tryin to do
