Aint Trippin

Rich Homie Quan

I say my mind keep telling me no (telling me no)
But my body keep saying I need it
And critics sayin' I'm out of control (out of control)
'Cause I'm abusing these drugs whenI beat it
But my shoes tiedSo I ain't trippin, I ain't trippin, I ain't trippin (I ain't trippin ho)
I got lean and it's killing my kidneys
I got racks that I stack for my children
So I ain't trippin, I ain't trippin, I ain't trippin
I ain't trippin, I ain't trippin, I ain't trippin baby
My shoes tied so I ain't trippin, baby
I ain't trippin baby
I swea-swear to god, Quan ain't trippin
I can't trip no more bae, I ain't trippin
I ain't trippin, I ain't trippin, I ain't trippinI want to seal it
These bitches wanna fuck us, we the realest
Like it or not, brain shoot to the ceiling
So many clothes in the closet, she looks like dealer
Ran up my racks with Rich Homie we're like the pilgrims
Pull out 4 of that super clean (lean, lean)
I got jelly beans in my billie jeans
I got Quan back 'cause I know he got my sceneI say my mind keep telling me no (telling me no)
But my body keep saying I need it
And critics sayin' I'm out of control (out of control)
'Cause I'm abusing these drugs when I beat it
But my shoes tiedSo I ain't trippin, I ain't trippin, I ain't trippin (I ain't trippin ho)
I got lean and it's killing my kidneys
I got racks that I stack for my children
So I ain't trippin, I ain't trippin, I ain't trippin
I ain't trippin, I ain't trippin, I ain't trippin baby
My shoes tied so I ain't trippin
I ain't trippin baby
I swea-swear to god, Quan ain't trippin
I can't trip no more bae, I ain't trippin
I ain't trippin, I ain't trippin, I ain't trippinDad told me never trip about no bitch
Daddy told me to stay down and they're gonna lose
Granny told me pray to God, that's what I did
Gotta make a way for my kids
Throw it up, flying higher than a blimp
Eating on shrimp, looking down at the shrimps

If you see me with a limp, don't mistake me for a pimp
The 40 get heavy when you tote it on your hip
Me and Thug ready, going in for the kill
And Imma look confusedI say my mind keep telling me no (telling me no)
But my body keep saying I need it
And critics sayin' I'm out of control (out of control)
'Cause I'm abusing these drugs when I beat it
But my shoes tiedSo I ain't trippin, I ain't trippin, I ain't trippin (I ain't trippin ho)
I got lean and it's killing my kidneys
I got racks that I stack for my children
So I ain't trippin, I ain't trippin, I ain't trippin
I ain't trippin, I ain't trippin, I ain't trippin baby
