

# Raise Me Up (mississippi South)

## Lana Del Rey

Just like you said  
it's all been done before  
I don't have to talk pretty  
for them no more  
Just like you said  
it's all been done before  
I don't have to talk pretty  
for them no more  
I can talk what i want, how I wanna  
I can talk what i want, how I wanna  
I don't have to talk taste for you, mama  
no, no  
Ray, ray, ray  
raise me up  
Ray, ray, ray  
raise me up  
Ray, ray, raise me up  
Ray, ray  
It's the voodoo, mississippi south  
69 million stars  
birds are flying out of my mouth  
spirits creeping in my yard  
Hold my head, it's tilting back  
something dancing me around  
putting crystals on my neck  
lifting my feet off the ground  
Ray, ray, ray  
raise me up  
Ray, ray, ray  
  
raise me up  
Ray, ray, raise me up  
Ray, raise me up  
Oh, see, what you've done  
oh, me, just what I'm talking about  
oh, see, what you've done  
ohh, me, it's what I'm talking bout  
Pick me up in a pickup truck  
roll down, you've got it going on

lemme talk on your CB, what?  
lemme play with your new shotgun  
Ray, ray, ray  
raise me up  
Ray, ray, ray  
raise me up  
Ray, ray, raise me up  
Ray, raise me up  
Ray, ray, ray  
raise me up  
Ray, ray, ray  
raise me up  
Ray, ray, raise me up  
Ray, raise me up  
I can talk what i want, how I wanna  
I can talk what i want, how I wanna  
I don?t have to talk taste for you, mama  
Ray, ray, ray  
raise me up  
Ray, ray, ray  
raise me up
