Somebody Somewhere Help Me

Steve Miller Band

Somebody somewhere told me
You were gonna break my heart
Somebody somewhere told me
You were gonna break me apartI didn't listen and I didn't care
I didn't think that talk was anywhere
I didn't listen and I didn't care
Nobody told me 'bout your low down friendsSomebody somewhere help me
I got to find a brand new way
Somebody somewhere help me
I got to make a brand new wayI didn't listen and I didn't know
I didn't think it would hurt me so
I didn't listen and I didn't know
Nobody told me 'bout your low down friendsSomebody somewhere help me
I got to turn it, turn it 'round
Somebody somewhere help me
I got to get my feet on the groundI didn't listen and I didn't care
I didn't think that talk was anywhere
I didn't listen and I didn't know
I didn't think it would hurt me so
