Turn It Over

Leslie Mendelson

I can paint you a picture anytime
We don't need the TV set to unwind
You can turn the lights down low
And I will pour the wineCome on, baby, let's turn it over (Ooh, yeah, yeah)
Let's turn it over (Ooh, yeah, yeah)
Let's turn it over
And play the other sideI've got an itch for satisfaction
A little Marvin to turn us on
Oh, we can let it play on out
While the night is still so youngCome on, baby, let's turn it over (Ooh, yeah, yeah)
Let's turn it over (Ooh, yeah, yeah)
Let's turn it over
And play the other sideSunday paper
Scattered everywhere across the floor
Steppin' on headlines
Who's to blame about this bloody war?All of the pictures
Just put 'em away
I just want a little more
Time with you todayWe ain't got no money
We won't for a while
So I'll put something on
To make you smile
And if it makes you cry
Well, baby, that's all rightCome on, darling, let's turn it over (Ooh, yeah, yeah)
Let's turn it over (Ooh, yeah, yeah)
Let's turn it over
And play the other sideCome on, baby, let's turn it over (Ooh, yeah, yeah)
Let's turn it over (Ooh, yeah, yeah)
Let's turn it over
And play the other side
Oh-oh, oh, yeah
