Why

Wide Mouth Mason

I have tried to understand
I have tried to be a better man
But your world's too hard to see
And your words are killin' meI don't ask that much of you
I just want to hear the truth
But you keep on passing by
Look the other way when I see your eyesWhy can't I be your baby?
Why can't I be your man?
I, it's driving me crazy
Why? I don't understandYou had all I could give
And I believed you deserved it
Now you're makin' me realize
Talk about couldn't make the sacrificeYou see I thought you were serious
But it seems you're scared of us
So now I can't see straight
I guess I'm the one who's been afraidWhy can't I be your baby?
Why can't I be your man?
I, it's driving me crazy
Why? I don't understandWhy can't I be your baby?
Why can't I be your man?
I, it's driving me crazy
Why? I don't understand
