Hammerdown

Ted Nugent

Aww go ahead, Ted...
Beats in the street and I'm coming
Dead headed over the map
Highway trains keep on rollin'
Sneakin' right through the traps (?)
White line
Double time
Come around with a hammerdown
Hammerdown
Hammer
Last night saw me in Detroit
Hotel bar lookin' good
Well I think we stink in the daylight
Play rock and roll like I should
White line
Double time
Come around with a hammer, hammer, hammer hammerdown
Hammerdown
Hammerdown
Hammerdown
Hammer
Thousand gigs in Chicago
Never played Delaware
There are places where I'll go

I fly by night, love affair
White line
Double time
Come around with a hammer, hammer, hammer hammerdown
Hammerdown
Hammerdown
Hammerdown
Hammer
(guitar solo...)
Last night saw me in Detroit
Hotel bar lookin' good
Well I think we stink in the daylight
Play rock and roll like I should
White line

Double time
Comin' 'round with a hammer, hammer, hammer hammerdown
Hammerdown
Hammerdown
Hammerdown
Hammer
Hammerdown
Hammerdown
Hammerdown
Hammer...
