

Sunshine

Uriah Heep

For many years I felt like a man
Feeling his way through darkness
This priceless treasure
For which I've searched
Appeared to me nothing more
Than a mirage in the sea But when the vision faded
From this struggle and dream
Suddenly my illusion is diarry
I've now discovered what's reality Sunshine, sunshine, sunshine
I've found you
Even if you're only
Even if you're only
Even if you're only
Destined for a while Sunshine, sunshine, sunshine
I've found you
Even if you're only
Destined for a while
