

# Feel That You're Feelin'

## Maze

Featuring Frankie Beverly I'm in love with you darlene cause you so good to me  
And I feel that you need me it's so plain to see  
When I'm chained in my self pity  
Your tenderness sets me free and I feel that your feelin what I get to feelin  
Feel that your feelin what I get to feelin  
Feel that your feelin what I get to feelin  
For you ooh baby ooh baby  
Get it up get it up get it up get it up You just do everything like nobody else  
And I need you need you beside me  
I wanna give you myself  
If I hurt you and you feel bad  
Your lovin ways makes me sad and I feel that your feelin what I get to feelin  
Feel that your feelin what I get to feelin  
Feel that your feelin what I get to feelin you We have each other In so many ways  
We'll have each other from now on I keep feelin you I keep feelin you  
Every single day baby I keep feelin you
