I Will Follow You

Toulouse

I will follow You
Follow you wherever you may go
There isn't an ocean too deep
A mountain so high it can keepKeep me away
Away from my loveI Love you
I Love you
I Love youWhere you go I follow
I follow
I follow
I followYou'll always be my true love
My true love
my true love
ForeverI will follow You
Every since you touched my hand, I knew
Near you, I always must be
Nothing can keep you from me
You are my destinyI Love you
I Love you
I Love youI Love you
I Love you
I Love youWhere you go I follow
I follow
I followYou'll always be my true love
My true love
my true love
ForeverI will follow You
Follow you wherever you may go
There isn't an ocean too deep
A mountain so high it can keepKeep me away
Away from my love
