

# I Will Follow You

## Toulouse

I will follow You  
Follow you wherever you may go  
There isn't an ocean too deep  
A mountain so high it can keep Keep me away  
Away from my love I Love you  
I Love you  
I Love you Where you go I follow  
I follow  
I follow  
I follow You'll always be my true love  
My true love  
my true love  
Forever I will follow You  
Every since you touched my hand, I knew  
Near you, I always must be  
Nothing can keep you from me  
You are my destiny I Love you  
I Love you  
I Love you I Love you  
I Love you  
I Love you Where you go I follow  
I follow  
I follow You'll always be my true love  
My true love  
my true love  
Forever I will follow You  
Follow you wherever you may go  
There isn't an ocean too deep  
A mountain so high it can keep Keep me away  
Away from my love
