

# Too Many Fish in the Sea

Bette Midler

Now listen here, ladies (yeah)  
Take this advice, and remember (what?) always in life  
Into each heart some tears must fall  
Though you love and lose, you must stand tall  
'Cause we all got to cry sometimes  
I said, sigh sometimes  
Pull yourself together  
No use crying forever  
Because there's too many fish in the sea uh uh uh  
Too many fish in the sea  
I said, there's short ones, tall ones, fine ones, kind ones  
Too many fish in the sea (yeah yeah) My mother once told me something  
And every word is true (what did she say?)  
Don't waste your time on a fella  
Who doesn't love you (who doesn't love you)  
He'll only mislead you  
Only grieve you  
Don't worry about him  
And let him go, do without him  
Because there's (too many fish in the sea)  
You know there is (too many fish in the sea) I said, there's short ones, tall ones, fine ones, kind ones  
Too many fish in the sea (yeah yeah) Well, if the fish isn't on your line  
Just bait your hook and keep on trying  
Don't let him get you down (no no no)  
There's other boys around  
'Cause there's too many fish in the sea  
You heard me (too many fish in the sea) uh uh uh  
(Too many fish in the sea) that's right, there is  
(Too many fish in the sea) I said, there's short ones, tall ones, fine ones, kind ones  
Too many fish in the sea  
I don't want nobody that don't want me now  
(Too many fish in the sea)  
Ain't gonna love nobody that don't love me  
(Too many fish in the sea)  
I don't need nobody that don't need me  
(Too many fish in the sea)  
I don't want nobody that don't want me  
(Too many fish in the sea) (Too many fish in the sea)  
I said, there's short ones, tall ones, fine ones, kind ones

(Too many fish in the sea)  
Smart ones, dumb ones, different ones, black ones  
(Too many fish in the sea)  
Ain't gonna love nobody, love nobody, love nobody, that don't love me
