

The Blackest Reaches

Revocation

Confined in darkness
Where light dares not tread
The sphere lies suspended and undisturbed
I curse that fateful day, within that foul old church
The day that this curse was first incurredWhat lies inside
the blackest reaches of one's mind?
Primal and divine
an entity unbound by all space and timeAnd so the visions came again
Blackened vortices spiralling with no end
Staring from the shining trapezohedron
The three-lobed burning eyeWhat lies inside
the blackest reaches of one's mind?
Primal and divine
an entity unboundI see the darkness in the light
Now the two become one
Now the two become one
Enthroned upon the seat of ultimate chaos
He who cannot be namedInfinite
Omnipotent
