

Guess Who

Alabama Shakes

I can't tell you how I feel, but I do
Those things they say can't get to me, but they do
I don't see the sky as blue, as you do
Should I fantasize, there must be some way to love again
It's been so hard for a girl like me, it's true
People say I look just like my daddy, 'cause I do
All I really want is peace of mind
Why is everything so complicated?
Why is everyone so infatuated?
I gather myself safely
To a life I'll never form again
Everybody's leaving all the time
All I really want is peace of mind
