Falling In Love At a Coffee Shop

Landon Pigg

I think that possibly, maybe I'm falling for you
Yes, there's a chance that I've fallen quite hard over you
I've seen the paths that your eyes wander down, I wanna come too
I think that possibly, maybe I'm falling for youNo one understands me quite like you do
Through all of the shadowy corners of meI never knew just what it was
About this old coffee shop I love so much
All of the while I never knewI never knew just what it was
About this old coffee shop I love so much
All of the while I never knewI think that possibly, maybe I'm falling for you
Yes, there's a chance that I've fallen quite hard over you
I've seen the waters that make your eyes shine, now I'm shining too
Because, oh, because I've fallen quite hard over over youIf I didn't know you, I'd rather not know
If I couldn't have you, I'd rather be aloneI never knew just what it was
About this old coffee shop I love so much
All of the while I never knewI never knew just what it was
About this old coffee shop I love so much
All of the while I never knew
All of the while, all of the while it was you
