

# Cold Hard Floor

## Slaves

Running away  
Running from your problems  
Hiding from the rain  
But you're gonna get wet some day  
Running away  
Running from your problems  
Hiding from the rain  
But you're gonna get wet some day  
It's not the smile on your face  
It's the eyes that say it all  
You say you can't feel the pain  
But you're gonna get hurt some day  
It's not the smile on your face  
Oh, It's the eyes that say it all  
You say you can't feel the pain  
But you're gonna get hurt some day  
You're wasting away  
Wasting on the cold hard floor  
And it's such a shame  
Cause it weren't supposed to be this way  
You're wasting away  
Lying wasting on the cold hard floor  
And it's such a shame  
Cause it weren't supposed to be this way
