Over The Rainbow

Pentatonix

Somewhere over the rainbow, way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow, skies are blue
And the dreams that you dare to dream
Really do come trueSomeday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Oh, way above the chimney tops, that's where you'll find meSomewhere over the rainbow, bluebirds fly
Birds fly over the rainbow, why then,
Oh why can't I?Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Oh, way above the chimney tops, that's where you'll find meSomewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come trueIf happy little bluebirds fly beyond the rainbow, oh
Why, oh why can't IWhy, oh why can't I
Why can't I
