

Finale (Can't Wait To See What You Do Next)

AJR

Don't you go
We need you here
You brighten up
This shitty year
Well, congratulations
On your bit of success
We can't wait to see
What you do nextCome outside, come outside
You fell low but now you're high
You been outside, been outside
So go ahead and do it one more time
Come outside, come outside
You went hard and you did fine
You been outside, been outside
So go ahead and do it one more time
They wanted, they wanted
They wanted, they wantedThey wanted heaven from me
I gave 'em hell
Now they want something bigger
I'm overwhelmed
And if you're just as hopeless
I wish you well
(We can't wait to see what you do next)Come outside, come outside
You fell low but now you're high
You been outside, been outside
So go ahead and do it one more time
Come outside, come outside
You went hard and you did fine
You been outside, been outside
So go ahead and do it one more time
Don't you go
We need you here
You brighten up
This shitty year
Well, congratulations
On your bit of success
We can't wait to see
What you do nextThey wanted, they wanted
They wanted, they wantedThey wanted heaven from me

I gave 'em hell
Now they want something bigger
I'm overwhelmed
And if you're just as hopeless
I wish you well
(We can't wait to see what you do next)Can you wait a sec?
Let me catch my breath
Let me catch my
I can't remember how I got here
Can you wait a sec?
Let me catch my breath
Let me catch my
I can't remember how I got here
Got hereThey wanted heaven from me
I gave 'em hell
Now they want something bigger
I'm overwhelmed
I think it's time to go now
I think my curtain's falling
Just don't forget about me
When you get out of college
If it's my final album
And if I am forgotten
I hope I made you smile
That's all I ever wantedCongratulations on your
Bit of success
Welcome to the Neotheater
We can't wait to see
What you do next
