

Shivers (Rising Star Mix)

Armin van Buuren

A little bit, just a little bit, just a little bit
A little bit, just a little bit, just a little bit
A little bit, just a little bit, just a little bit
A little bit, just a little bit, just a little bitWorld don't turn around
Music make no sound
Where is sweetness found
When love is gone?Sun don't come around
Don't make a sound
Where can love be found
If your heart won't feel?Shivers up and down my spine
Break up, not on my mindA little bit, just a little bit
A little bit, just a little bit
A little bit, just a little bit
A little bit, just a little bitHow could it end this way?
Don't leave me, love me
Just a little bit longerHow could it end this way?
Don't leave me, love me
Just a little bit longerHow could it end this way?
Don't leave me, love me
Just a little bit longerDay don't turn to nights
Morning don't bring lights
Where is sweetness found
When love is gone?Won't you stay the night?
Let the truth shine bright
Where can love be found
If your heart won't feel?Memory, motions that we shared
Teardrops signing my faceHow could it end this way?
Don't leave me, love me
Just a little bit longerHow could it end this way?
Don't leave me, love me
Just a little bit longerHow could it end this way?
Don't leave me, love me
Just a little bit longerHow could it end this way?
Don't leave me, love me
Just a little bit longerA little bit, just a little bit
A little bit, just a little bit
