Listen

Index Case

Have you ever thought something you forgot
Wired eyes are blinking
Shattered minds are thinking
So is this a decision to live with
The sin keeps on dripping
THIS WILL NEVER STOPWhere do you get off thinking
Your disintegrating
Come on it's enough this breaking
Listen to listen
Where do you get off thinking
Your disintegrating
Come on it's enough this breaking
Listen to listenListen
This is just a vision
My final decision
Silence is a feeling
The feeling is right
I can just picture you
Huddled in your corner
Picking up your pieces
THIS WILL NEVER STOPWhere do you get off thinking
Your disintegrating
Come on it's enough this breaking
Listen to listen
Where do you get off thinking
Your disintegrating
Come on it's enough this breaking
Listen to listen toNOW YOU GOT NOTHIN TO SHOW (I ignore you)
NOW YOU GOT NOTHIN TO SHOW (I ignore you)
NOW YOU GOT NOTHIN TO SHOW (I ignore you)
NOW YOU GOT NOTHIN TO SHOW (I ignore you)NOW YOU'VE GOT NOTHIN TO SHOW
NOTHING TO SHOW
NOTHING TO SHOW
NOTHING TO SHOW
NOTHING TO SHOW
NOTHING TO SHOW
NOTHING TO SHOW
