

# Underground

David Bowie

No one can blame you for walking away  
Too much rejection  
No love injection  
Life can be easy It's not always swell  
Don't tell me truth hurts, little girl  
'Cause it hurts like hell  
But down in the underground You'll find someone true  
Down in the underground  
A land serene  
A crystal moon, ah, ah It's only forever  
Not long at all  
Lost and lonely  
That's underground  
Underground Daddy, daddy, get me out of here  
Ha ha, I'm underground  
Heard about a place today  
Nothing never hurts again Daddy, daddy, get me out of here  
Ah ha I'm underground  
Sister sister, please take me down  
Ah ah I'm underground  
Daddy, daddy, get me out of here No one can blame you for walking away  
Too much rejection  
No love injection  
But down in the underground You'll find someone true  
Down in the underground  
A land serene  
A crystal moon, ah, ah It's only  
It's only forever  
It's not long at all  
The lost and the lonely  
That's underground Underground  
Daddy, daddy, get me out of here  
Heard about a place today  
Nothing never hurts again Daddy, daddy, get me out of here  
Ha ha, I'm underground  
Sister, sister, please take me down  
Ah ha I'm underground  
Daddy, daddy, get me out Wanna live underground  
Wanna live underground

Wanna live underground  
Wanna live undergroundWanna live underground  
Wanna live underground  
Wanna live underground  
Wanna live undergroundDaddy, daddy, get me out of here  
Ah ha, I'm underground  
Sister sister please take me down  
Ah ha I'm underground  
Ah ha I'm underground  
Ah ha I'm undergroundDaddy Daddy please  
Daddy Daddy please  
Wanna live underground  
Wanna live underground
