

Alone Again

[Dokken](#)

I'd like to see you in the morning light
I like to feel you when it comes to the night
Now I'm here and I'm all alone
Still I know how it feels, I'm alone again
Tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you
Alone again without you
Alone again without you
I said, "Stay", but you turned away
Tried to say that it was me
Now I'm here and I've lost my way
Now I know how it feels, I'm alone again
Tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you
Alone again without you
Alone again without you
Alone again without you
I tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you
Alone again without you
Alone again, alone again
Alone again without you
