I See Myself With You (Album Version)

Leslie Mendelson

I can really see myself with you
Doing all that people do
When they are happy and in loveI can really see myself with you
Walking down First Ave
You're all I'm ever thinking ofMaybe tomorrow, maybe today
It's a matter of time
'Til you'll be mine
Forever and alwaysYou can see
You see right through
I see myself
I see myself with youI can see us staying up all night
Rolling 'til the morning light
And sleeping in 'til way past threeI can see us years and years from now
Don't know where, I don't know how
But it seems natural to meMaybe tomorrow, maybe today
It's a matter of time
'Til you'll be mine
Forever and alwaysYou can see
You see right through
I see myself
I see myself with youSo before we're way on down the line
We can get it right this time
I just want to spend my life with youMaybe tomorrow, maybe today
It's a matter of time
'Til you'll be mine
Forever and alwaysYou can see
You see right through
I see myself
I see myself with you
