If You Don't Want My Love

Johnny Rivers

I know you have reservations and you're just along for the ride
But I see a slight hesitation, what are you trying to hide?
Don't be afraid to bare your soul
Nothing you say could be too bold, I'm growing old
If you don't want my love, tell me now 'cause I'll survive
If you don't want my love, I'm sure that somebody does tonight
You make a grown man quiver, it might be hard to believe
But it's time to stand and deliver, you've just been playing with me
I don't want to blow my only chance
But you've got to show me where you stand or drop my hand
If you don't want my love, tell me know 'cause I'll survive
If you don't want my love, it won't be the end of my life
If you don't want my love, night will fall and the sun will rise
If you don't want my love, I'm sure that somebody does tonight
I don't want to blow my only chance
But you've got to show me where you stand or drop my hand
If you don't want my love, tell me now 'cause I'll survive
If you don't want my love, it won't be the end of my life
If you don't want my love, night will fall and sun will rise
If you don't want my love, I'm sure that somebody does tonight
If you don't want my love, ain't gonna worry tonight
If you don't want my love, well somebody does tonight
