

Caravan

[Lou Donaldson](#)

Night and stars above that shine so bright
The myst'ry of their fading light
That shines upon our caravan Sleep upon my shoulder as we creep
Across the sand so I may keep
The mem'ry of our caravan This is so exciting
You are so inviting
Resting in my arms
As I thrill to the magic charms
Of you beside me here beneath the blue
My dream of love is coming true
Within our desert caravan
