

Silent Ivy Hotel

EL VY

How long have you been here
Sitting on the floor
Poured all my tears
In a tile under the doorStill don't really know you
Very well
How long have we been coming here
To the Silent Ivy HotelIt'll only last
For a silent ivy minute
A silent ivy minute
A silent ivy minuteIt'll only last
For a silent ivy minute
It'll only last a while
We could stay here for ever
And never get together
Wouldn't matter what's the weather
We'll never get togetherI put your hair in an arrangement
With helium and tape
I decided I would love you
I decided not to waitWe have an arrangement
We give each other pain
A little mine for yours
It's all pretty much the sameIt'll only last
For a silent ivy minute
A silent ivy minute
A silent ivy minute
It'll only last
For a silent ivy minute
It'll only last a whileWe could stay here for ever
And never get together
Wouldn't matter what's the weather
We'll never get togetherIt's a waste of love
It's a waste of love, love
It's a waste of love, love, love
It's a waste of love
It's a waste of love, love
It's a waste of love, love, loveIt'll only last
For a silent ivy minute
A silent ivy minute
A silent ivy minuteIt'll only last

For a silent ivy minute
It'll only last a whileWe could stay here for ever
And never get together
Wouldn't matter what's the weather
We'll never get togetherIt's a waste of love
It's a waste of love, love
It's a waste of love, love, love
It's a waste of love
It's a waste of love, love
It's a waste of love, love, love
