Lovers Wake

Savoir Adore

We were brightly shining,
like a child's dream,
and you were everything to me.
I ...
I ...Ooh...Colors fade around me,a disillusioned scene,
you were everything, everything.
The dream is over now,
it was never what it seemed.Was it ever real?
Was always real to me.
Oh, keep running from the ones that you love
and then I know...
Left me in your lover's wake,
I can't let go of our mistakes,Oh...
I wanna suffer, ah.
Others never compensate
they're drowning in their lover's wake
Oh...
I wanna suffer, ah...
with you Ah...You make me suffer now
Ah...
You make me suffer now
I can't let go of our mistakes
Oh, the dream is over now,
the dream is over now,
the dream is over now,
the dream is over now...Left me in your lover's wake,
I can't let go of our mistakes,
Oh...
I wanna suffer, ah.
Others never compensate
they're drowning in their lover's wake
Oh...
I wanna suffer, ah...
Oh, ah, I wanna suffer
with you.
