Carry The Cross

Arch Enemy

We walk through the ages
The world on our shoulders
A burden we carry
To the dark end of our daysA thousand eyes watching
Every step we are taking
Waiting to see us
Struggle and fallAnd when we are beaten
The cross holds us down
I hear them laughing
And walking awayCarry the cross
And suffer the loss
Hear my confession
Forever damnationReincarnation
Bleeding forever
Recover in pain
Pain gives me strengthPick up the cross
And carry it on
Over and over
The wheel turns againAnd when we are beaten
The cross holds us down
I hear them laughing
And walking awayCarry the cross
And suffer the loss
Hear my confession
Forever damnation
