

# Carry The Cross

## Arch Enemy

We walk through the ages  
The world on our shoulders  
A burden we carry  
To the dark end of our daysA thousand eyes watching  
Every step we are taking  
Waiting to see us  
Struggle and fallAnd when we are beaten  
The cross holds us down  
I hear them laughing  
And walking awayCarry the cross  
And suffer the loss  
Hear my confession  
Forever damnationReincarnation  
Bleeding forever  
Recover in pain  
Pain gives me strengthPick up the cross  
And carry it on  
Over and over  
The wheel turns againAnd when we are beaten  
The cross holds us down  
I hear them laughing  
And walking awayCarry the cross  
And suffer the loss  
Hear my confession  
Forever damnation
