

# One Summer Night

# Drunken Tiger

One summer night, we fell in love  
One summer night, I held you tight  
You and I, under the moon of love  
(Moon of love)

One summer night, I kissed your lips  
One summer night, I held you close  
You and I, under the moon of love  
You kissed me, oh, so tenderly  
And I knew this was love  
And as I held you, oh, so close  
knew no one could ever take your place  
Oh, one summer night, we fell in love  
One summer night, I held you tight  
You and I, under the moon of love  
  
(Moon of love)

Baby, I love you so much  
en I hold you in my arms, I feel eternal lo  
I don't ever want to lose your love  
I want our love to last forever  
You kissed me, oh so tenderly  
And I knew this was love  
And as I held you, oh, so close  
knew no one could ever take your place  
Oh, one summer night, we fell in love  
One summer night, I kissed your lips  
You and I, under the moon of love  
Moon of love
