Scum

Sodom

Do you see
All the dreg of humanity
Rank and file
That looks at me
Creeping out of gloomy holes
Like dirty lousy rats
Soiling up this peaceful place
With all their rotten shitScum
ScumEvery inch
Misantrophists
Holding in contempt
The dignity of man
Coloured whipping boys
Victimised by their foolish hate
Defenceless like a toy
When they go to their fateScumMarching off
With the flags of lies
Get their ashes hauled
In a dreadful fight
Unscrupulous rapes
Beyond the grave
Embodies ghastly sights
Signed by cowardiceScum
Scum
Scum
