

# God Shuffled His Feet

## Crash Test Dummies

After seven days he was quite tired so God said  
"Let there be a day just for picnics with wine and bread"  
He gathered up some people he had made  
Created blankets and laid back in the shadeThe people sipped their wine  
And what with God there, they asked him questions  
Like, "Do you have to eat?" or "Get your hair cut in Heaven?"  
"And if your eye got poked out in this life  
Would it be waiting up in Heaven with your wife?"God shuffled his feet  
And glanced around at them  
The people cleared their throats  
And stared right back at himSo he said, "Once there was a boy who woke up with blue hair  
To him it was a joy until he ran out into the warm air  
He thought of how his friend would come to see  
And would they laugh or had he got some strange disease?"God shuffled his feet  
And glanced around at them  
The people cleared their throats  
And stared right back at himPeople sat waiting out on their blankets in the garden  
But God said nothing so someone asked him  
"Beg your pardon, I'm not quite clear about what you just spoke  
Was that a parable or a very subtile joke?"God shuffled his feet  
And glanced around at them  
The people cleared their throats  
And stared right back at him
