Tomorrow Starts Today

Mobile

Taking it down so I want more
Leave it around so I won't know
Tell me how could you be sure?
Turn it, turn around and turn it upside down
I gotta know, give me a reason
I gotta know, give me a reason
I gotta know, give me a reason
You messed up your last chance
Tomorrow starts today
Tomorrow starts today
Even if it breaks you
Taking your time, 'cause I won't know
Leaving me like, I'm safe from you
Tell me how could you be sure?
Turn it, turn around and turn it upside down
I gotta know, give me a reason
I gotta know, give me a reason
I gotta know, give me a reason
You fucked up your last chance

Tomorrow starts today
Tomorrow starts today
Let's blow it all away
I know this for sure
I know I can't be wrong
Stop pretending you're so good
Stop assuming that I would
Stop believing that I could
Stop I'll walk away from you
Tomorrow starts today
Tomorrow starts today
Let's blow it all away
I know this for sure
I know I can't be wrong
And I think you know
I knew it all along
I know this for sure
I know I don't belong
