

Standing

Elevation Worship

This is our hope, this is our peace

Faithful is our God

He will come through, we won't be moved

Faithful is our God

This is our strength, this is our shield

Faithful is our God

He cannot fail, we will prevail

Faithful is our God

Oh yes we are standing

'Cause the enemy's defeated

We'll always be standing

On the promises of Jesus

Lifting our eyes, gone is the night

Faithful is our God

His enemies under our feet

Faithful is our God

Oh yes we are standing

'Cause the enemy's defeated

We'll always be standing

On the promises of Jesus

Yes, my soul says yes to Your promises

My soul says yes

Yes, my soul says yes

My soul says yes to Your promises

Yes, my soul says yes to Your promises

My soul says yes

Yes, my soul says yes

My soul says yes to Your promises

Oh yes we are standing

'Cause the enemy's defeated

We'll always be standing

On the promises of Jesus

Oh yes we are standing
'Cause the enemyâ€™s defeated
Weâ€™ll always be standing
On the promises of Jesus
